REQUEST FOR CERTIFICATE OF CORRECTION
UNDER THE 37 CFR 1.323

Commissioner for Patents
Alexandria, VA 22313-1450

Sir:

Applicants respectfully request that a certificate of correction be granted in the above-identified application to enable correction of applicants' error in omitting the second assignee's name and address in item three (3) of the Issue Fee Transmittal as "Sharp Kabushiki Kaisha, Osaka, Japan". This error was inadvertent in nature.

In particular, an assignment was filed for recording November 21, 2003 and recorded at Reel/Frame 014727/0300 which correctly displays the both of the Assignee's names and addresses. The proper identification of the assignees is important to a patentee to designate the true owner of a particular patent. This is important for the patentees to properly receive business inquiries from interested parties, as well as being important to the interested public when the instant patent is noted during a search so that the proper owners are recognized and available for

business discussions. Without the requested Certificate of Correction, the patentees could lose potential business opportunities and the public could be misinformed.

Consequently, the patentees respectfully requests that the Certificate of Correction be granted in this patent. The Commissioner is authorized to charge the \$100 fee for filing this request to Deposit Account No. 19-2380 (740756-2669). Any deficiencies or overages in any fees due in connection with this patent and the requested actions should be applied to Deposit Account No. 19-2380 (740756-2669).
